**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

York Comprehensive High School experienced a memorable 2002-2003 school year. Our students excelled in academics, athletics, band, chorus, NJROTC, the arts and other extracurricular activities while under the watchful eye of the national news media, covering our McDonald's All-American Player. We are proud of the successes of our students. We are also very thankful for the support we received from our business community, fans, and especially our parents.

The senior class of 2003 set the pace for high levels of achievement. They led us to many first place finishes in region, state and national competitions. For the first time, our SAT team won the Region. Students were recognized nationally in French and Spanish. Several students were selected to the All-State Chorus. One student was selected a National Merit Finalist, and 2 students were National Merit commended. Ten students were selected Palmetto Fellows, and one student a SC Teaching Fellow. 132 students are potential Life Scholarship recipients. We are especially proud of our YCHS Band for the third consecutive year as the State AAA Marching Band Champions; our NJROTC, Distinguished Unit with Academic Honors; our girls golf and basketball teams; state runners-up in class AAA, and the State AAA Individual Heavyweight Wrestling Champion. Additionally, the senior class was offered over \$3.4 million in scholarships. The majority of our seniors plan to attend a two or four year college.

YCHS provides a positive environment. Incentive programs were implemented to recognize students and staff for academic, attendance and other successes. Teacher and student moral have increased. Major efforts are underway to improve the physical environment of our school. Several visitations to other high schools were provided to assist teachers in developing a vision for a new high school. Attractive directional signs were added throughout the building. Major renovations are underway to provide a safer environment for students.

YCHS strives to provide a quality education for our students. We have a well-trained, caring, dedicated staff. The number of teachers with national board certification has increased. Curriculum alignment to the state standards was a major focus. For the first time, 10th grade students were administered the Plan and PSAT. YCHS continues to work on integrated curriculum with the Floyd D. Johnson Technology Center.

We are confident that YCHS will continue to provide a quality education for our students. We are committed to excellence.
